

BARGAIN BRACES!!!!?

PARENTS, DID YOU KNOW...?

Since 2008, the *Smile for a Lifetime Foundation* has improved the oral health and self-confidence of many students by providing orthodontic care for children who require orthodontic treatment but whose families may have some financial challenges or special circumstances which make that treatment inaccessible. Check out the website at www.mbbraces.com to find important information and an application form if you would like assistance in paying for your child's orthodontic treatment. Just to give you an idea, the following table shows income eligibility, but even if your income is slightly higher than stated here, it may still be well worth your while to apply since income is not the only need that is considered.

Smile for a Lifetime – Manitoba Smiles Income Eligibility***

Persons in Family	Yearly Income
1	\$23,193
2	\$28,999
3	\$35,651
4	\$43,258
5	\$49,094
6	\$55,368
7	\$61,644
For more than 7 persons, for each additional person, add	\$6,268

For application forms and more information see:
