Dear Parents,

Our school will be making report cards available on March 16. To access your child's report card, please visit the HSD Parent Portal at <http://powerschool.hsd.ca>. If you have already created a Parent Portal account, log in and access the report card on March 16 at 4:00pm. If you have not yet created an account, we encourage you to do so at the above-listed link. By creating a Parent Portal account, you will have access to an official digital copy of your child's report card, and other important school/student information. The online Parent Portal is now the divisional default delivery method for report cards.

For those students who do not have an associated/connected Parent Portal account, alternative arrangements will be made to send a printed copy of the report card home with the child but it may take an extra day to process.

Scheduled Parent/Teacher meetings will be held on Thursday, March 22nd from 4:00 to 6:00 pm. Appointment times can be found on the last page of the report card. If no appointment time is indicated but you would like to schedule a meeting, please feel free to contact the school office to arrange an appointment. If there is a time and you are unable to make it, please notify the school so that an alternative date/time can be arranged.

If you have any questions, please do not hesitate to contact the school office.
