

Dear Parent(s), and/or Guardians,

We have started a theme where we are exploring many aspects of colours.

An area where the home could be involved is by having your child participate in “the colour of the day”. This is a fun, optional activity where the children are invited to wear colour specific clothing each day.

This, however, is **NOT** an obligation and is meant to be a fun option for the children to engage with colours.

Colour of the day list:

**April 11 - Red**

**April 12 - Orange**

**April 13 - Yellow**

**April 16 - Green**

**April 17 - Blue**

**April 18 - Purple**

Have fun! ☺

Sincerely,

Mrs. Ens & Mr. Konrad
