

Library Sign Outs

Welcome students and parents, I'm so glad you've stopped by!

As you have probably guessed, our Learning Commons looks quite different than it has in previous years. For now we are not able to have students come for "library". But, I certainly still want you to be able to read all our fun and informative books!

So we are making our LES book catalogue, Destiny Discover, available here on the LES website. You and your child can browse available books and request the title that they would like. When the book is ready I will contact our remote learners to let you know. Our in school learners will have the book delivered to their classroom.

Please note if you have books that were signed out before the suspension of classes last spring or before we went to our current Code Red remote learning, please return them to the school as soon as possible! (No late fees will be associated with these books)

Let's Get Started!

[Here](#) is a link to a handy set of instructions for browsing and reserving books.

If you have already requested books and do not need to review the list of instructions you can go straight to the catalogue by using this link: [Access Destiny Discover](#)

Please Note:

While Kindergartens do not usually sign out books, I will be happy to extend this offer to them.

Kindergarten students may sign out 2 books at a time.

Grade One and Two students will be able to request 2 books

Grade Three and Four students will be able to request 3 books

Grade Five and Six students will be able to request 3 books

If you have any questions, please feel free to contact myself, Mrs. Froese, either by phone or by email at jfroese@hsd.ca .
