COMMUNITY DONATION SHARE DAYS

ROC Eastman accepts donations of new and gently used recreation items like sports equipment, helmets, craft supplies, books, backyard games, bikes, music instruments, and more!

Every spring and fall we load up to share these donated items with kiddos around the region who would like to participate in activities but equipment and transportation are barriers.

There is no cost - we just love to share the generosity of our donors!

Have items you no longer need? Please stop by to drop off donations or swap for something different!

ROC Eastman is a registered charity offering supports to reduce barriers to recreation participation for children living in the Eastman region of Manitoba.
