 - Fundraising for schools
 - Liaison between parents and school administration
3. Treasurer's Report - Rebecca
 - Raise all funds
 - \$6300 raised last school year - especially fall fundraiser
 - \$300 bursary for graduate
 - Rest of funds split between schools
4. LES Principal Report - Jolene Reimer
 - See handout
 - Increased funding for EAs to help with literacy in grade 1 - added 3 new EAs to staff
 - Move n Groove - extra gym class for students who are overwhelmed in regular gym class - opportunity for pre-teaching games, etc...
5. LC Principal Report - Vanessa David
 - See handout
 - Discussion - communication from school to home - how much is too much?
 - Maybe try a weekly, shorter announcement as opposed to monthly newsletters
6. Question Time
 - Parent concern: Locking school doors - all day, everyday**
 - Jolene - something that's being discussed and is important to discuss; concerns with parents feeling locked out; buzz-in system required; logistically - Prov of MB mandated locking all doors except 1; HSD - adding a fob system for staff; concern - how can I get kids in quickly if they're outside when the danger occurs; financially - buzz-in system costs a lot, not enough \$ from the province; LES - requests movement of principal's/secretaries' offices to allow secretaries clear view of front door
 - Parent - rather wait a few minutes to get buzzed in if that means the clear mind of knowing kids are safe
 - Parent question - Has there been instances of adults not checking in at the office?

- Jolene - YES! Lots of parents just walk by the office; putting more emphasis on checking in
- Parent - Landmark has doubled in size; not everyone knows everyone
- Jolene - parents can talk to superintendents and school board to put pressure on
- Parent - we can remind other parents to check in and not take offence by it
- No buzz-in systems in any HSD schools

Parent question - Current status of construction in front of LES

- Answer - paused until 2027

7. Meeting adjourned at 6:39pm
