Stone City Coffee Roasters

Coffee Blends

Berkeley Blend
A medium roast blend that brightens every morning. Smooth and complex, with subtle notes of fruit, brown sugar and almond. A perfect all-around choice.

Autumnwood Blend
A rich, dark roast for bold coffee lovers, with notes of caramel, toasted nuts and chocolate. Bold but never bitter, smooth and full-bodied.

Merry Christmas Blend – Seasonal
Celebrate the season with this festive specialty coffee blend. Naturally occurring notes of cocoa and sweet maple shine through in this post-roast blend of dark, medium and light roasts, creating a smooth and balanced holiday cup.

Decaf Brazil
Swiss Water Process decaf, medium roasted and full of flavour. Smooth and satisfying with natural notes of chocolate, toffee, dates and nuts.

A Note About Our Coffee

Our coffees are never artificially flavoured. Every tasting note—whether chocolate, maple, almond or fruit—comes naturally from the beans themselves.

Specialty-grade Arabica beans develop unique flavours based on where and how they are grown. Through careful roasting and brewing, those natural flavours are brought to life in your cup. That's the beauty of specialty coffee—pure, unflavoured beans roasted to highlight what is naturally there.

Christmas Gift Set – Seasonal

Our Christmas Gift Set comes in a beautiful custom gift box and includes a 75g bag of Costa Rica specialty coffee that we personally sourced while visiting the farm on our family trip to Costa Rica, paired with locally made Utoffeea Peanut Butter Toffee.

A little piece of our family adventure, wrapped up for Christmas!

Our Artisan Signature Syrups

Crafted with coffee lovers in mind, our syrups are preservative-free and incredibly versatile. Add a splash to coffee, lattes, teas, sparkling water or cocktails for an easy boost of flavour.

Lavender
Floral and smooth. Perfect for London Fogs, Earl Grey, lavender lemonade or sparkling water.

Brown Sugar Rosemary
Warm brown sugar sweetness with a hint of rosemary. Delicious in coffee and lattes or cocktails like a Maple Bourbon Rosemary.

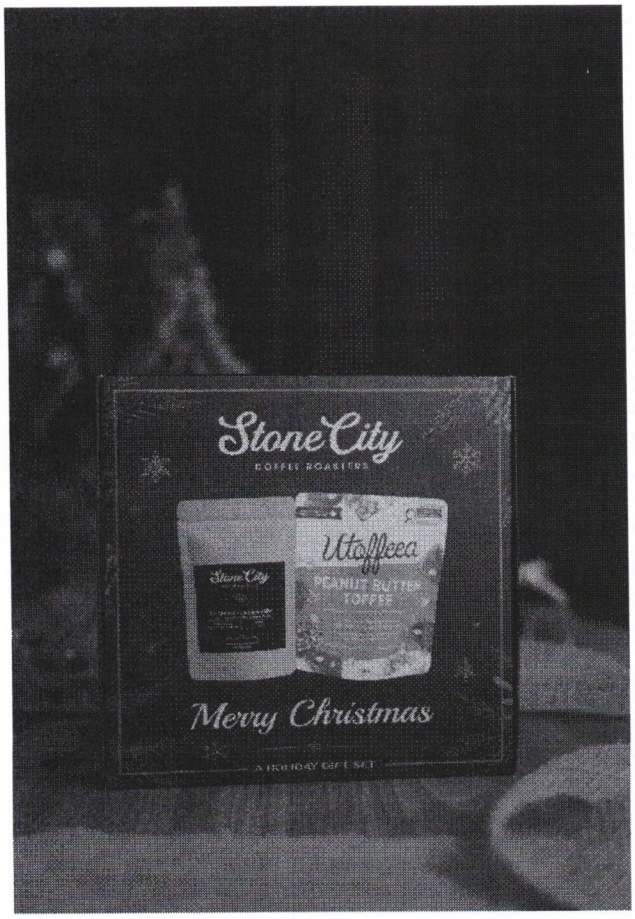

Coconut
A matcha lover's dream! Also great in iced coffee, sparkling water and tropical-inspired drinks.

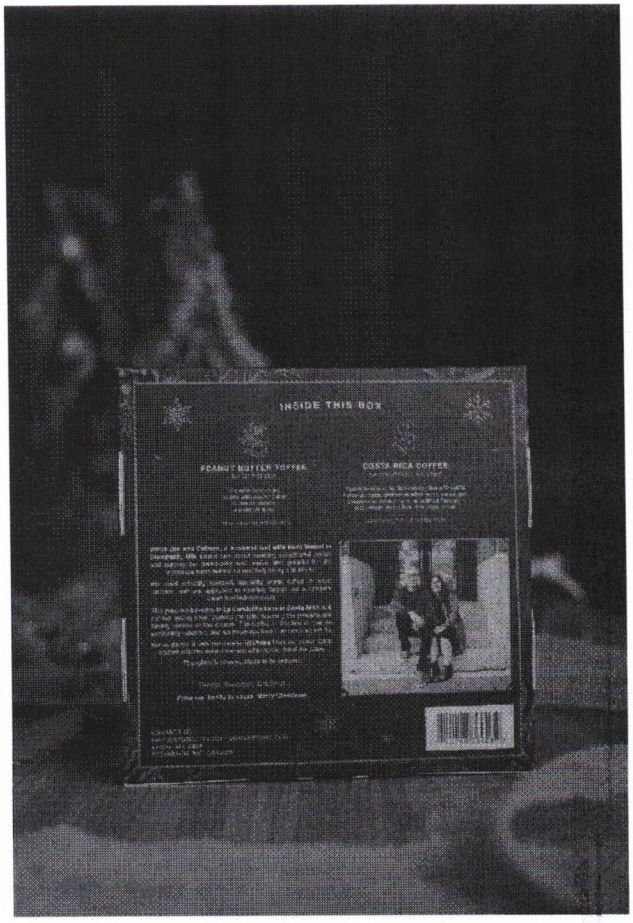

Brown Sugar Pistachio
Nutty, warm and decadent. Amazing in lattes, mochas and iced coffee.

Krispy Donut
Inspired by that classic donut-shop flavour. Delicious in coffee, lattes and hot chocolate.

Maple
Rich maple sweetness that's perfect in lattes, coffee, brunch drinks or desserts. True north sweet and seriously delicious!

Sugar Cookie – Seasonal
Our seasonal Sugar Cookie Syrup is rich and buttery with notes of vanilla, brown sugar and that classic fresh-baked sugar cookie sweetness.
